

## **Commitment To PrimeLaw**

### **Commitment to Prime Law**

To enable the Law Society (the Society) to gauge interest of practices to be PrimeLaw assessed, the Society will create a register of law practices committed to undertake assessments of their practices to be awarded the mark.

Law practices can register their commitment to be PrimeLaw Assessed within 2 years with the Law Society. Attached is a Commitment Form that must be signed by the Proprietor, Managing Partner or Director of the Law Practice

The Society reserves the right to withdraw its Commitment Certificate to a law practice if it does not proceed with assessment for the PrimeLaw standard within 2 years or for any other reason the Society deems fit.

### **Issue of a Prime Law Commitment Certificate**

The Society will issue 2 Commitment Certificates to each law practice.

All law practices issued with the Commitment Certificate will be registered on the Society's register described above. The Law Society will make the list of committed practices Public Knowledge.

Each law practice can decide if the Commitment Certificate issued to it should be publicised in Singapore only to their clients and their Professional Indemnity Insurer / Broker.
